### **Equipment and Facility Rental Rates**

LTC video production equipment and facilities are available to rent. Individuals, organizations, and businesses wishing to use LTC resources for non-public access TV purposes must first join LTC and agree to its Policies and Procedures. Renters must demonstrate their experience operating the equipment before reservations are accepted. A copy of the renter's drivers license will be kept on file until the equipment is returned. Interested parties should contact Steve Manock at [smanock@LTC](mailto:smanock@LTC) to schedule the rental and an appointment to demonstrate expertise.

Rentals are per day, allowing for pick-up the day before and return the day after.
