

# WINTER WORKSHOPS

2017 [www.LTC.org](http://www.LTC.org)

## VIDEO PRODUCTION

### Producing in Studio A

Section 1: Thursdays, January 5, 12, 19; 6:00 - 9:00pm

Section 2: Thursdays, March 2, 9, 16; 6:00 - 9:00pm

Learn the basics of three-camera production in LTC's large studio in three sessions. The third class involves hands-on crewing on a live music show.

Instructor: Steve Manock

Fee: \$25/members, \$50/non-members

### Field Production Basics

Section 1: Thursdays, January 26, 12, 19; 6:00 - 9:00pm

Section 2: Thursdays, March 23, 9, 16; 6:00 - 9:00pm

In one session, learn to use LTC's HD video cameras and microphones to shoot professional-looking video outside the studio. Students are encouraged to also sign up for the Final Cut X edit class.

Instructor: Steve Manock

Fee: \$25/members, \$50/non-members

### Producing in Studio B

By Appointment Upon Request

In one session you will learn to operate LTC's small studio with its advanced HD Tricaster digital switcher. Studio B is used primarily for talk shows with green screen backgrounds.

Instructor: Steve Manock

Fee: \$25/members, \$50/non-members

### Stop-Motion Animation with Clay

Tues. & Thurs, February 7, 9, 14, 16; 6:00 - 9:00pm

In this four-session class, students will learn the process of creating a "claymation" video. Included are scriptwriting, designing and constructing a set and background, creating characters, shooting the individual frames, sound design, and video editing with iMovie. Students will work together to create their own short animation projects.

Instructor: Jason Marshall

Fee: \$50/members, \$100/non-members

### Smart Phone Video Production

Saturday, February 11; 10:00am - 1:00pm

Learn the foundations of real-world storytelling and how to use your Apple iPhone or iPad to craft an insightful film using minimal gear to gain maximum effect. At the conclusion of this class, you will have created a video ready for sharing.

Instructor: Caroline Gallagher

Fee: \$25/members, \$50/non-members

## POST PRODUCTION

### Video Editing with Final Cut Pro X

Thursday, February 2; 6:00 - 9:00pm

Get started editing your video with Apple's professional editing software, Final Cut Pro X. In this one-session class you will learn to import footage, work in a timeline, add graphics and music, and export your finished project.

Instructor: Steve Manock

Fee: \$25/members, \$50/non-members

### Adobe Premiere Pro Basics

Tuesdays, January 17, 24, 31; 6:00 - 9:00pm

In this three-session class, learn the basics of editing with Adobe Premiere. By the end of the course, the students will be able to edit their own basic videos from start to finish.

Instructor: Peter Tsaklis

Fee: \$60/members, \$75/non-members

## MORE!

### Interview Techniques

Wednesdays, March 1, 8; 6:00 - 8:00pm

In this two session class, learn interview techniques that will help you conduct interviews that move your story forward and encourage your subject to share more than you might expect. We'll also look at the technical aspects of the interview.

Instructor: Heather Aveson

Fee: \$40/members, \$75/non-members

### Podcasting

Section 1: Monday, January 23; 6:00 - 8:00pm

Section 2: Monday, February 13; 6:00 - 8:00pm

You will learn how to operate LTC's podcast room equipment, how to post files to the LTC podcast webpage, and the basics of creating compelling audio content. Podcasts cannot include copyrighted content.

Instructor: Gloria Polites

Fee: \$25/members, \$50/non-members

### Go Live with a Wordpress Website

Saturdays, March 4, 11; 10:00am - 1:00pm

This two-session class will take a hands on approach to learning the basics of installing WordPress, picking a good design template, putting your personal design touches on your website, and extending the usefulness of WordPress with basic plugins. Then find out how to add content and images to your pages.

Instructor: Lynne Lupien

Fee: \$40/members, \$60/non-members

## ★ New Member Orientations ★
