# SPRING WORKSHOPS

**LTC.ORG** — **2017 www.LTC.org**

## VIDEO PRODUCTION

### Producing in Studio A
**Thursdays, June 1, 8, 15; 6:00 - 9:00pm**
Learn the basics of three-camera production in LTC's large studio in three sessions. The third class involves hands-on crewing on a live music show.
Instructor: Steve Manock
Fee: $25/members, $50/non-members

### Field Production Basics
**Thursday, April 27; 6:00 - 9:00pm**
In one session, learn to use LTC's HD video cameras and microphones to shoot professional-looking video outside the studio. Students are encouraged to also sign up for the Final Cut X edit class.
Instructor: Steve Manock
Fee: $25/members, $50/non-members

### Producing in Studio B
**By Appointment Upon Request**
In one session you will learn to operate LTC's small studio with its advanced HD Tricaster digital switcher. Studio B is used primarily for talk shows with green screen backgounds.
Instructor: Steve Manock
Fee: $25/members, $50/non-members

### Smart Phone Video Production
**Saturday, April 29; 10:00am - 1:00pm**
Learn the foundations of real-world storytelling and how to use your Apple iPhone to craft an insightful film using minimal gear to gain maximum effect. At the conclusion of this class, you will have created a video ready for sharing. Students must come with their own iPhones.
Instructor: Caroline Gallagher
Fee: $25/members, $50/non-members

### TV Post Producción y Edición en Español
**Sábados, Mayo 6, 13, 20; 10am - 1pm**
Tres clases. Aprende Final Cut X, añade transiciones, corrige brillo y color, ajusta niveles de audio, publica en canales locales y redes sociales.
Instructor: Nancy Peña, Periodista y Directora de "Colores Latinos TV"
Fee: $75/members, $100/non-members
Más información: 978-809-9426

## POST PRODUCTION

### Video Editing with Final Cut Pro X
**Thursday, May 25; 6:00 - 9:00pm**
Get started editing your video with Apple's professional editing software, Final Cut Pro X. In this one-session class you will learn to import footage, work in a timeline, add graphics and music, and export your finished project.
Instructor: Steve Manock
Fee: $25/members, $50/non-members

### Graphics for TV
**Thursday, June 8; 6:00 - 9:00pm**
In this one-session class students will learn how to create a variety of professional-looking graphics to add style and interest to their recorded or live TV shows. The instructor will demonstrate the use of Photoshop and animated elements, as well as the Tricaster switcher's native graphics program, LiveType.
Instructor: Brian Dorrington
Fee: $25/members, $50/non-members

## MORE!

### Podcasting
**Monday, May 15; 6:00 - 9:00pm**
You will learn how to operate LTC's podcast room equipment, how to post files to the LTC podcast webpage, and the basics of creating compelling audio content. Podcasts cannot include copyrighted content.
Instructor: Gloria Polites
Fee: $25/members, $50/non-members
